

Application for AGC of Michigan Membership

Graduate Associate

Individual membership for recent college graduates

Services and Benefits include:

- Attendance at member rates to all educational programs and seminars, including Supervisory Training Programs, safety seminars and many more.
- Networking opportunities through participation in Chapter social and educational events, including special events.
- Opportunities to participate on committees and task forces to improve the climate for the construction industry in Michigan.
- Access to most Chapter resources and services (excluding labor relations and legal advice, and other corporate benefits and services).

____ I am not an employee of an AGC of Michigan member company, and I would like to become a Graduate Associate Member and be placed on the appropriate Chapter mailing lists. (\$50 per year service fee -- fee must be received with the application form.)
