

Michigan's 'Oscars' of Construction Awarded for 2023

Grand Rapids, Mich., March 3, 2023 –The Associated General Contractors (AGC) of Michigan announced the winners of the 2023 Build Michigan Awards, the 'Oscars' of the industry, which recognize excellence in commercial construction throughout the state. Four projects and construction teams were bestowed awards during the AGC of Michigan's Annual Meeting Friday, March 3, 2023.

"The Build Michigan Awards represent the most outstanding commercial construction projects completed in our state each year," said Sam Clark, AGC Board Chair. "These projects help revitalize cities, improve our economy and contribute to our daily quality of life."

The awards recognize commercial construction projects in the categories of building construction, construction management, design-build, federal/heavy and environmental. Projects are judged on: meeting the challenge of a difficult job, excellence in project management, innovation in construction techniques, sensitivity to the environment, responsiveness to client needs, and the contractor's contribution to the community.
